

PROMOTION RANKS

Agents love doing missions and love earning mission credits toward **agent promotions!** When they promote, they are presented a Promotion Certificate (found in the *MPK Launch Kit*). The certificate displays the agent's newly promoted rank and the number of missions completed in God's service.

Everyone starts in MPK as a Special Agent, then begins work toward the agent ranks listed here. Every 6 mission credits (or stars on the Star Chart) achieve the next rank. Note that the highest three ranks take 10 mission to achieve:
